

Hire to **Retire** Rehire Solutions

We Enable The World To Work Better

. Mobile First . AI Embedded . Blockchain Powered

Introduction

Thank you for your interest in partnering with ZingHR for your HRMS Cloud Platform.

ZingHR is a Gartner recognized, Global HRMS Platform, accelerated by Microsoft, funded by Tata Capital.

- We are a Mobile first Hire to Re-Hire HRMS Platform that's digitally customized catering to the need of the organization.
- Rated by Gartner as one of the Best HRMS Tool for Indian Company (21st Oct 2021), has weaved a 360-degree HRMS requirement for its customers.
- On the Security level, we are GDPR compliant and ISO27001 certified.

In this proposal, you'll find our clients along with what we feel is the optimal solution for HRMS needs, along with the associated delivery timeline, costs, and project terms Once you've reviewed this proposal thoroughly, sign it at the bottom to indicate your approval.

Thanks again for the opportunity to earn your business!

Thanks & Regards,

Ahmed Al Malki

Option 1 – Commercials for Full suite

Description	Annual Platform subscription cost
ZingHR platform - Full suite for 700 Employees	\$ 34,000

One time set up, platform Implementation and training cost – USD 3,500

- Annual Subscription fees to be paid in advance,
- 50% Implementation cost to be paid in advance, 35% implementation on completion of UAT and 15% upon Project Go live.
- Pricing is based on the Our Understanding of Your needs and our Solution recommendation. It caters for the establishment of a single instance and one (1) legal entity.
- The above commercials include hosting charges, infrastructure maintenance and standard product support.
- Annual inflation of 7% will be added on the anniversary of the first billing invoice.
- Payment terms – net 7 days from the day of invoice.
- Minimum subscription Period – 36 Months.
- ZingHR has a standard commercial SaaS Agreement that will accompany this proposal, changes to this agreement may vary the commercial offering of this proposal.
- Proposal is valid until August 31st 2022.

Terms and Conditions

- ZingHR is a Product Cloud Platform, brought to you by Cnergyis Infotech India Pvt.Ltd., Regd Office : 5th Floor, Kalpataru Plaza, Chincholi Bunder Road, Malad (W), Mumbai - 400064
- To Get Started : 100% Implementation Commercials along with Yearly Usage Fees as OPEX are to be paid.
The regular Yearly billing (Invoice) starts from the 1st date of data upload. Project Kick-off will be carried out within 5-7 working days from the date of formal Purchase Order (PO) & advance payments.
Invoicing : Subsequent Yearly Invoicing will be raised 15 days prior to the expiry of earlier billing period. All payments to be done through online RTGS/ NEFT mode. In case of Additional eCount in subsequent months over and above the contracted employees, Monthly Pro-Rata Invoice as per agreed PEPM as per agreed terms will be raised.
- GST will be extra and will be applicable as per the prevalent rates.
- Annual Inflation causes an annual price rise of 10% and is applicable on the Usage Fees only.
- Travel for any team member of ZingHR to a location outside Mumbai, Delhi or Bengaluru is payable by customer wrt Airfare (Economy), Boarding & Lodging charges, Local Conveyance between Airport, Hotel and Client office. Effort Man Day Rate of Rs.15,000 per day + Taxes will be applicable.
- For Custom Requirements outside the Product Feature Delivery Framework - Certified ZingHR Development SI Organization will be provided to create them for you as per your ongoing needs.
- ZingHR Payroll Processing Platform if applicable is not provided to any other Global Location other than India as part of this proposal.
- Process 1 : Signature on the Standard SaaS Agreement sent by ZingHR to you & Receipt of our Proforma Invoice.
- Process 2 : Issuance of Standard Purchase Order by Customer with Signed originals of ZingHR SaaS agreement to be sent to Cnergyis Infotech India Pvt. Ltd.
- Process 3 : Transfer of payment online by NEFT/RTGS mode or Cheque Payment – ZingHR Implementation Process starts immediately thereafter.
- ZingHR is a standard global HCM PRODUCT platform on the cloud. Customization for the Customer Environment are achieved through CONFIGURATIONS without any alterations to the CORE PRODUCT CODE. Any Customization that is non-standard required by the CUSTOMER , which might not be a line-of-sight FEATURE in the Roadmap of ZingHR can be addressed by the customer through ZINGHR Certified Implementation Partner who will create a non standard Application CODE outside the PRODUCT CODE . ZingHR will allow special ACCESS through APIs only. ZingHR has the right to allow or reject access based on its CUSTOMER ECOSYSTEM IT Security Policies and its own PRODUCT BUILD policies. ZingHR does not claim or state that it will meet 100% of an organizations HR Business Process requirements since they may or might not be possible. It is for the Customer to be sure that more than 80-90% of its core critical needs are met through a Quick Cost-Effective way through ZingHR. ZingHR will provide Customer Feature Road Map Updates as part of its own Development Plan once every 6 months.

ZingHR Support Offering

Standard Support

- As part of our commercial arrangements for using the Platform, provisions have been made for:
 - Self Help Knowledge
 - Application support
 - Bug Fixes
 - New releases (application enhancements)
 - Platform availability
 - Backup and Recovery
 - Data Privacy
- Assigned Shared Customer Success Manager
- Yearly Performance Review Meetings

Premium Support (not quoted)

- Dedicated Customer Success Manager
- Monthly Performance Review Meetings
- Customised Response Charter/Services
